National Audience

Marketplace advertisers reach the industry's most sought-after audience in trucking and freight transportation. This high-powered national audience relies on the content that Transport Topics provides.

Targeted Advertising

Listing in the Marketplace is easy. Choose from 16 available categories to help you target your market. Then pick the ad type best suited to your goals: plain text or display with image. And, finally, add details, like color and photo or logo, to attract your buyer. Marketplace print purchases include a free online classified posting.
